

SHREVEPORT HOLDS BOMB PRACTICE

"Bomber" And "Airdrome" Attacked In Tactical Demonstration

SHREVEPORT, La., Feb. 5.—(UPI)—The GHQ air force of the army turned down its bombardment, attack and pursuit power today at Berckdale field in a tactical demonstration during which a "bomber" was bombed, an "airdrome" attacked by gas and defended by smoke screen, and "enemy bombers" were given a taste of massed aerial machine gunning.

Thousands of pounds of explosives in bombs from 100 to 2,000 pounds each were turned loose from the air on various targets and pursuit planes scattered from hundreds of rounds of .50 caliber bullets while five generals and nearly 200 officers from infantry, cavalry, air corps, marine corps, navy and coast artillery looked on from distances and then fared forth in covers to the fighting range for first hand inspection of the damage wrought.

No revelation is permitted of what have been revealed or what was the actual effect of any part of the demonstration, but Major-General Frank M. Andrews, GHQ air force command-

ant, said this comment to make on air corps bombing as a whole:

"I believe that our bombing is efficient—absolutely excellent."

The big four-motored "flying fortresses," now from Langley field, Virginia, to do high altitude bombing, found themselves handicapped by a maximum ceiling of 3,000 feet, but they did their work anyhow, their target a simulated battlefield built on the ground.

With four of these four-motored planes, were 12 tremendous two-motored bombers from March and Hamilton fields, California. These turned loose individual bombs and salvoes of 10,000 pounds at one time, made up of 100 pounds. With them were Berckdale's 20th pursuit group, which sent a squadron of 15 little pursuit planes into the air for mass machine gunning, and the third attack group which showed what the newest of attack, ground-strafing planes, the two-motored A-10 type, could do at 75 feet altitude with parachute fragmentation bombs and .50 caliber machine guns all working together. A simulated airdrome with fake hangars and planes constructed far off in the woods was their target. The "airdrome" also was the target of A-7 single motor attack planes equipped with chemicals.

The more than 200 officers and enlisted men here for the demonstration, which was primarily for the air corps technical school at Maxwell field, Alabama, made will leave tomorrow for their home ports, though a few left.

MONROE (LA.) MORNING WORLD

CATTLE AND HOG MARKET PLANNED

Community Sales And Commission Company To Hold Weekly Auctions

James H. Thurman and Fred C. Cook announce the opening of the Community Sales and Commission company, located on highway 50, approximately three miles west of Monroe, for the purpose of conducting weekly auction sales of hogs and cattle.

The establishment of the new enterprise is designed to find a ready market for Ozarkia's part-time men who are asked to bring their cattle to the Community Sales and Commission company, where hogs and cattle will be auctioned every Saturday afternoon beginning at 1 o'clock.

The company has gone capable of caring for about 100 cattle and hogs and has plans to bring horses to the market from all parts of the country and from adjoining states.

Strenuous efforts are being made for the success of the new company by the two men who have joined forces to make it a success.

Mr. Cook is a native of Monroe and has been engaged in the business for many years.

Mr. Thurman is a graduate of the University of Mississippi and has been in Monroe for several years.

Both men are experienced in the business and are well qualified to handle the work.

The new company is located on highway 50, approximately three miles west of Monroe, and is well equipped to handle the work.

BIG ROAD BILL NOT YET SIGNED

Governor White Postpones Action In Hope Of Getting Better Bids

JACKSON, Miss., Feb. 5.—How many days separate the \$60,000,000 highway financing bill and its enactment into law was a major question tonight after Governor Hugh White announced he had invited every legislator in the United States to submit bids for the first series of state bonds ever proposed by the state.

The bill as approved by both houses of the legislature provides a general sale of the first series of state bonds and company bonds to finance the construction of the state highway system.

The bill was introduced by Governor White on Jan. 10, and was referred to the Senate Committee on Finance.

The bill was passed by the Senate on Jan. 20, and by the House on Jan. 22.

JUDGE SENTENCES 15 IN TAX FRAUD

(Continued from First Page)

James A. H. Jackson, C. W. Smith, H. O. Fancher, E. B. Barrett, W. C. Polk, H. G. Dodge, R. C. Gibson, Rose Wooten, Nellie Evans and Ralph M. Hobbs, all of whom were given \$30 suspended fines subject to one year probation.

In the case in which these defendants were indicted last June at Shreveport, the government expended \$10,000 in its investigation, United States Attorney Harvey G. Edwards said, and as a result of more than a year's careful investigation on the part of federal bureau of investigation agents, found 38 indictments covering 54 individuals, of which 20 were in the Shreveport group here yesterday.

Four defendants, J. A. Bowles, J. P. Thomas, Guy P. Whistler and J. F. Smith, who were stated to enter pleas here yesterday, were excused from date when they plan to plead at Shreveport, it was stated.

The defendants were all charged with having been a factor in causing the group of federal agents to spend months in investigating the tax evasion cases.

Sida Walker Can Put Stop To Wear On Tires Of Cars

"Ours is a trade that service made," the motto of Monroe Office Equipment, 310 Walnut street, has been the guiding principle of the firm since its establishment in 1923.

In order to live up to its motto, the firm maintains a staff of five factory-trained men to service and inspect the office machines sold by it. And these men are under the supervision of a foreman with 20 years of experience.

Each of the five is a specialist. One is devoted himself to Merchant calculating machine, one to International Electric Cash Register, one to Underwood standard writing machines, one to Underwood standard ledger machines, and two to Underwood standard, portable typewriters.

When these men go over an office machine, they reduce it to featureless flat-top. For prompt efficient service call Monroe Office Equipment, 310 Walnut Street, or Sida Walker, 26 South Grand street, operator of a mobile service van.

At item \$2 covers the cost of expert service, the service being free at the date of repair and a 10 percent

commission on the value of the machine. The service is available to all types of office equipment.

For further information, call Monroe Office Equipment, 310 Walnut Street, or Sida Walker, 26 South Grand street.

MONROE SEES NEW STARS FOR DERBY

Veteran Owner Gives Views On Forthcoming Churchill Downs Classic

LOUISVILLE, Ky., Feb. 5.—Although last year's class of three-year-olds has "graduated," Colonel Matt J. Winn, "Sowch" at Churchill Downs, promises folks he will have another array of stars on hand for the 64th running of the Kentucky Derby, May 7.

Such performers as War Admiral, Pompom and Reaping Reward will be difficult to replace, but Winn, who has seen every Derby since the inaugural in 1915, is counting on such "sophomore" attractions as Monos, two-year-old champion; 3½-year-old Tiger, Ted's Comet, Cant Wait, Bill Lee, Pit Bull and Fighting Fox to carry on.

This was disclosed today by Downs officials in an announcement which predicted more than 100 thoroughbreds would be named for the \$30,000 added mile and a quarter spin this year. Nominations for America's "blue-ribbon" race event will close February 15. The bet will be made public early next month.

Downs officials said, Hal Price Heeder would start Monos, while others in contention, barring accidents.

Reports from Hialeah, Fla., say that Monos is being trained, but his trainer is not yet satisfied that an all-out training program is demanded.

As for Monos' likely mate, Monroeville chief track steward, Frank Superintendent Tim Young said he had been advised that Bill Lee can step it off for three miles all day if needed.

Monos and Tiger have been installed as first and second choices respectively in the Derby race, however, the Downs said. Strong support has been reported for War Admiral, Ted's Comet, Monos, Bill Lee, Pit Bull, Cant Wait, Bill Lee, Fighting Fox.

The former is a full brother of Gold

Last Year's Derby champion and is offering some strong competition. There may be a between-race nomination for the colt, but Mr. Young was asked if any of those mentioned above were likely to appear in the Derby race.

But he said, "I don't think there's a good chance that they'll do it."

The other colts mentioned are

Monos, Bill Lee, Fighting Fox,

Tiger, Ted's Comet, Cant Wait,

Bill Lee, Pit Bull, Fighting Fox,

BOYS TO HOLD CELEBRATIONS

Local Boys To Observe 28th Anniversary Of Founding Of Movement

Cakes and candles may be the popular conception of a birthday party, but not for Boy Scouts in the Ouachita Valley Boy Scout council and throughout the nation who today are beginning a week's festivities in celebration of the 28th anniversary of the founding of the Boy Scouts of America, according to Scout Executive Olen H. Black of Monroe.

"From a welter of demonstrations, talks and meetings emerge one birthday week activity typical of the boys who make up the more than a million membership of the Boy Scouts of America," Mr. Black said. "It is a good deed—a nation-wide good turn—to the men and women of America which Boy Scouts hope will bring home lessons of safety in such dramatic manner that they will be less thoughtless, careless and ignorant in the myriad small things they do, or don't, do, which breed accidents."

"The scout good turn" will be done with a heating of drums or amidst the cheers of spectators but inconspicuously in neighborhood business districts where scouts will stage living demonstrations of fundamental safety practices upon the sidewalks in store windows, lobbies and other spots where Mr. and Mrs. America congregate," Mr. Black declared.

"The simple but effective good turn is reminiscent of another Boy Scout act which resulted in helping the country live in America more than 20 years ago," he said. "That good turn took place in Florida when an unknown English lad helped an American boy to clean his clothes after an accident. When the boy learned the importance of his cleanup with the statement, 'Scouts don't take chances for good turns,' the English-American, W. D. Potts of Chicago, decided to help further with the result that he and Lord Baden-Powell, chief scout of the world. As an outcome of this meeting, Potts brought back the idea which was developed and later changed into the program of the Boy Scouts of America—represented February 8, 1910, in Washington, D. C., and adopted a federal charter by Congress on June 21, 1912.

"Since that date more than 1,000,000 boys and girls from Alaska to the Carolinas, from Maine to the Philippines have participated in the character building and health-building programs of camping, crafts and achievements of the Boy Scouts of America," Mr. Black said. Various activities including personal gear, backpacks, guitars, radios, drums and guitars, and festive and gay performances, including the 28th anniversary celebration of the Ouachita Valley Boy Scout council were among the features of the opening

MISS PRICE WILL BRING GROUP HERE

Miss Ruth Price, representative of the National Home Demonstration Council, will speak at Monroe on Monday evening at a regional demonstration group meeting at 8 p.m.

The speaker will be a nutrition and cooking expert with special interest in the field of housekeeping.

Miss Price and her group are invited to demonstrate a kitchen and how to use it. Monroe is the first city to be selected with others to be used.

The date of the performance will be announced as soon as the speaker arrives here some day.

HOME DEMONSTRATION CLUB HOLDS MEETING

The Chalmette Home Demonstration Club will meet today at the home of Miss Fannie Lee, the Chalmette club leader, with a regional demonstration group meeting at 8 p.m.

The speaker will be a nutrition and cooking expert with special interest in the field of housekeeping.

The date of the performance will be announced as soon as the speaker arrives here some day.

Make Quick Test for Itchy Pimples

For a quick test for common and strange cases of various skin diseases, you can't do better than to use iodine. This is a safe, painless and inexpensive method of testing for skin diseases. A 10 cent medicine chest will contain a bottle of iodine. You can buy iodine at your drugstore or at the drug counter of your supermarket. You can't afford to be without iodine.

RABID DOG BITES 2 CHILDREN HERE

Fear Animal May Have Attacked Others As It Traveled Widely

Two children are known to have been bitten by a mad dog Friday. The animal is also known to have gone from the north to the east side of the city and it is feared that still other children or persons may have been bitten. The two children who are known to have been bitten are Arnold

Barker, pupil in Georgia Tucker school, and Bobbie Joe Inzina, three-year-old son of Philip Inzina, 207 Deliard street. Mr. Inzina killed the animal, and the head was sent by Dr. H. H. Baur to a New Orleans laboratory. The report was received by wire Saturday that the animal had rabies. The two children are receiving Pasteur treatment, Dr. Baur said and he urged that any others bitten by this animal take proper precautions at once. The dog is described as a mongrel, weight about 12 pounds, all white with one black spot on one ear; right hind leg broken.

The dog was first discovered on the campus of the Georgia Tucker school, and was taken by Arnold Barker, George Holland, Jr., and Edward Holland to the office of Dr. H. H. Baur, 516 Louisville avenue, to be given treatment for the broken leg. When

they arrived there they found the veter-

inarian absent and as they waited, the dog suddenly bit young Barker and an instant later darted away down the street.

Two hours later, a dog answering the description of the same animal appeared at 207 Deliard street and bit little Bobbie Joe Inzina, as he played in the yard at his home. His father, Philip Inzina, rushed out and an instant later shot and killed the animal.

During the afternoon, Dr. Baur took young Barker to the Inzina home where he identified the body of the dog as the one that had bitten him. The head was then sent by Dr. Baur to New Orleans where it was found that the animal had rabies.

Dr. Baur suggests that anyone bitten by a dog answering this description should take immediate precaution to prevent serious consequences.

Monroe Society Looks Forward To South Louisiana Visits As Spring Nears

Fiestas Expected To Claim Many Visitors

Colonial Home Of Mrs. Norman Dickson Of Hodge To Be Throw Open To Guests Soon

By Eve Bradford

THE winter season wanes. There is a tremendous lot of pleasure in store for those who count life's wealth in moments such as these the gods now have to offer. One asks no more of weather than just to be living when spring fiestas come again. Next month the fiestas will be calling one to the "sugar bowl," where the day's tour will be topped off with an old-fashioned southern dinner and the evenings will be filled with the plaintive songs of the darkies. Stately dames with mincing steps will extend a welcome in old homes built as far back as 1796.

We travel away from home to see invitation to all those who love antiques the glories of the past when the and the glamorous atmosphere of other days can be found days. Of late years exclusiveness has practically on our own doorsteps. In gone out of style in this changing world. Homes closed to all except the charmed circle are now thrown open for the public to enjoy. And colonial home of Mrs. Norman Dickson. She is giving a colonial tea on February 18 and will welcome her guests in a gown that has been packed in their narrow little trunks.

Mrs. A. L. Smith came for a taste of summer weather in Miami, is now just as eager for a taste of springtime at home. She will return home earlier this year than customary, as she finds that old friends are the best and her home the most comfortable. It seems that the Florida climate has sufficient allure to make up for all the things the left behind.

Charles and Mabel Wallace and John and Helen Scherck will call summer visitors soon now. They will be off on the transients. Mrs. Venable public on this particular occasion and extends through the medium of invited participants parts of all

Jamaica, Panama, Venezuela, Barbados, Puerto Rico and Havana. Flora Potts and her sister, Alma Maxwell, will sail on the Veendam at the same time.

Strawberries in February are considered the last word in extravagance, yet Bert Williams, Jr., was dining on them nonchalantly when we peeked in on him at the clinic, where he is now in the convalescent stage. Flowers, candy, magazines and what-not expressed the sentiments of friends—also the strawberries.

The hat situation in Monroe has become acute during the past year and several of the town's smartest women have achieved their reputation for chic because of their ability to acquire exciting bits of headgear. A hat worn last week by Mrs. Porter Burgess was the very essence of springtime—bright green straw with a smart little veil. It was worn with a brown mink coat with pink camellia in the lapel. The colors all blended beautifully.

We're told that women could end the war in the Orient if we gave up silk stockings. Now we're urged by the General Federation of Women's Clubs to do our bit toward ending the recession by joining a spending drive. All excited about its painless panacea, the board of the General Federation promises President Roosevelt a "mobilization of the woman power of the country for a great program of thoughtful and wise spending." How wonderful if every working woman could really and truly, without fear of consequences, go on a regular shopping spree and then walk forth like Solomon in all his glory! The General Federation will just show us how it can be done; we will see no fault in cooperating with industry and labor for a patriotic stimulation.

Annette and Martin Fisher of Chicago are arriving on Feb. 1st to celebrate their first wedding anniversary. Their marriage last February will be off on the transients. Mrs. Venable public on this particular occasion and extends through the medium of invited participants parts of all

Miss McGarrah Of Oak Grove Feted

A party of much interest to residents of West Carroll parish was given on Thursday night at Forest, with the Misses Annie Jones and Lillian McKitren as hostesses at an announcement party for Miss Elizabeth McGarrah of Oak Grove, on her approaching marriage to Mr. Arnold F. Kuykendall of Warren, Ark.

Miss McGarrah has been connected with the West Carroll health unit as a nurse for the past few years, and Mr. Kuykendall was formerly connected with the Oak Grove Motor company.

While the guests were assembling in the living room several games of bridge were played, and after all had arrived a mock wedding was staged with Mrs. Charles Hope, dressed in a white lace evening gown and a veil, as the bride. She was met at the altar by Mr. Charles Hope as the groom, and the ceremony was performed by Dr. Paul LaCour, and was in the form of the announcement of the approaching wedding.

Miss McGarrah and Mr. Kuykendall were married on Jan. 29 at Warren, Ark., and will reside there.

One of the most interesting features of the evening was the making of the garter.

The bride and groom presented the bride with a lace garter, which she accepted with pleasure.

Civic Music Association's Concert Season Will Be Closed This Afternoon

named Salzburg Guild Will Present Program

Music Lovers Of City Will Gather At Neville Auditorium At 2:30 O'Clock

The Monroe Civic Music association's concert season of 1937-38 will come to a close this afternoon in what promises to be an artistic "blaze of glory."

Beginning at 2:30 o'clock in the Monroe High school auditorium, the celebrated Salzburg Concert guild, composed of the same artists who have been presenting the Salzburg opera repertoire throughout the country, will appear in a program which includes the complete musical score, both vocal and instrumental, from several of the operas which have electrified music lovers of the United States since their present tour began.

Nothing quite like today's concert has ever been presented in Monroe before. Forty voices will be heard on the stage, accompanied by an orchestra of 20 pieces. The concert is expected to last three hours.

The founders and general directors, Paul Compte and Otto Klemperer, describe the Salzburg Opera guild as having sprung from a reaction against the existing star system and conventionalized production methods that divided music from theatrical art in all the standard opera ensembles.

Arthur Trebitsch, Otto Klemperer and Stefan Zweig were among the first to set the seal of approval to the performances in 1934.

To meet the exactions of the opera company, the representatives of the opera companies did not give them form their purpose but sent them back to Austria to enhance their reputation and develop artistic harmony in the ensemble.

Today, masters of the method which considers vocal culture a minimum requirement and places the performance of the harmonic and structural elements of music the chief concern, could hardly conceive of a better way to do it than to let the people and the trained voices cooperate in a program of 1938 operas.

Music is the new language of Monroe. The new language of Monroe, however, is also the language of the young. The first opera to be presented in Monroe was the opera "Die Fledermaus" by Johann Strauss, Jr., performed by the Monroe Opera Company in 1934.

Arturo Toscanini, Otto Klemperer and Stefan Zweig were among the first to set the seal of approval to the performances in 1934.

Home Building and Gardening News

INVESTORS NOW WATCH SAFETY

High Dividend Return No Longer Matter Of Most Concern

TODAY the thrift and home-financing institutions of the country are offering the home owner the most favorable loan terms in the history of the mortgage business, continue Mr. Burkner.

Investors are now responding to the attraction of safety for their savings that is afforded by a portion of their accounts in building and loan associations through the Federal Savings and Loan Insurance Corporation, according to Tom Burkner, president of the Monroe Building and Loan Association. This association was granted a certificate of deposit insurance by the FSLIC last week, making it the first in the state to receive such protection. An added great advantage of this arrangement is that the interest rates are now lower than ever before.

The increasing number of people who have come to the Monroe Building and Loan Association since the FSLIC protection was granted has been gratifying, Mr. Burkner said.

The new certificate of deposit insurance will be available to all members of the FSLIC.

LEAKING ROOFS A CAUSE OF DAMAGE

To Locate Trouble Look Underneath The Roof During Rainstorm

The first thing to do if you have a leaky roof is to locate the trouble. To locate a leak, examine the surface of the roof for signs of water damage and see where the water is coming from. If there is no water damage, the roof may be leaking from underneath. If there is water damage, the leak may be coming from the roof itself. If the leak is coming from the roof itself, it may be due to a hole in the shingles or a crack in the roof. If the leak is coming from underneath, it may be due to a hole in the roof deck or a crack in the roof.

Improvement In Renting Conditions Adds To Security Of Funds

Notwithstanding the increased taxes and the general cost of living, the demand for rental property continues to increase, and with the exception of the small apartment house, there is little room for improvement.

Small Alcove Sufficient For New Bathroom

CONCRETE USEFUL FOR MULTIPLE PURPOSES

While all the plumbing fixtures essential to a bathroom may be located in a space as small as five feet square, some houses have only a small closet of not less than five feet square for the entire bathroom.

This closet may be desirable to hold a shower stall for the tub, which has been made in recent years. Then there is the toilet. At one time, the toilet was a fixture with a pedestal base, but

the latest models are built with a tank and bowl unit.

Concrete lends itself readily to building purposes. Houses constructed of this material are cool in summer, warm and dry in winter, resist fire, and are not quickly affected by the vagaries of time.

Concrete floors are durable, and make a good base for carpeting.

Concrete walls are strong, and can be painted or papered.

JOE PALOOKA'S BOXING COURSE

by HAM FISHER.

HERE'S AN IMPORTANT ITEM. HOW TO FIGHT A SOUTHPAW. THE FELLOW WHO LEADS WITH HIS RIGHT AND STANDS EXACTLY THE OPPOSITE OF THE WAY YOU'RE USED TO, IS A RARE BUT DANGEROUS OPPONENT.

LEW TENDLER ONE OF THE GREATEST PORTSIDERS OF ALL TIME.

MOST MANAGERS WILL GO TO ANY LENGTH TO DUCK A MATCH WITH A LEFT-HANDER. AND THE AVERAGE FIGHTER IS GLAD OF IT. HE FINDS HIMSELF PUZZLED AND HIS STYLE INEFFECTIVE. NEXT WEEK WE'LL GIVE YOU THE LOW-DOWN.

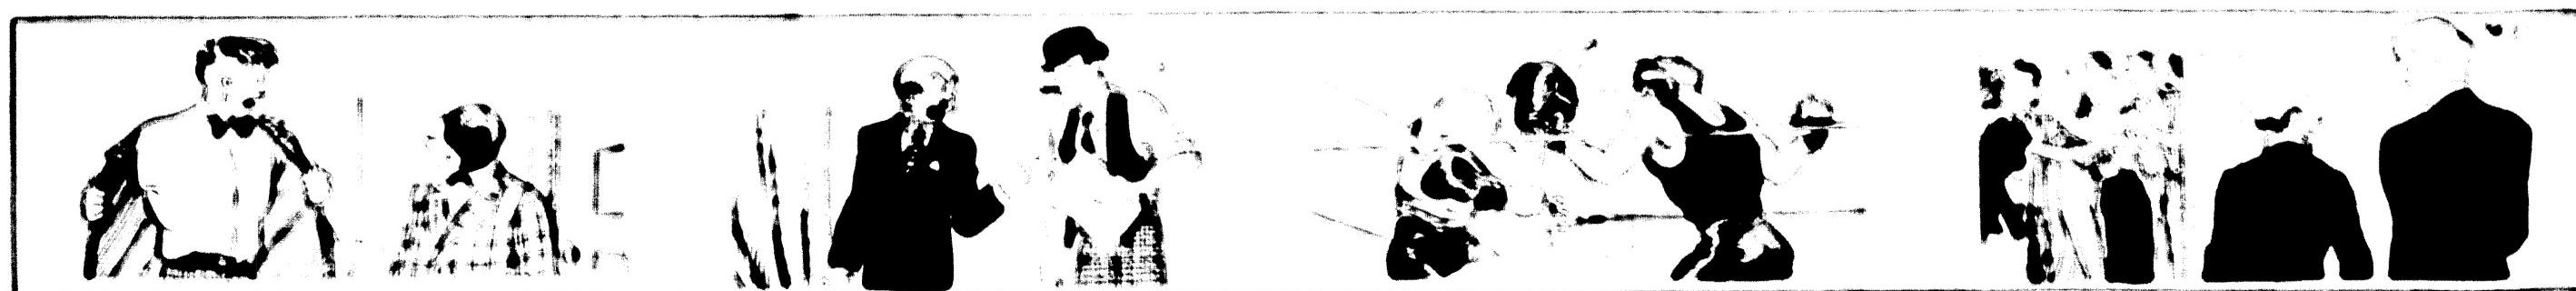

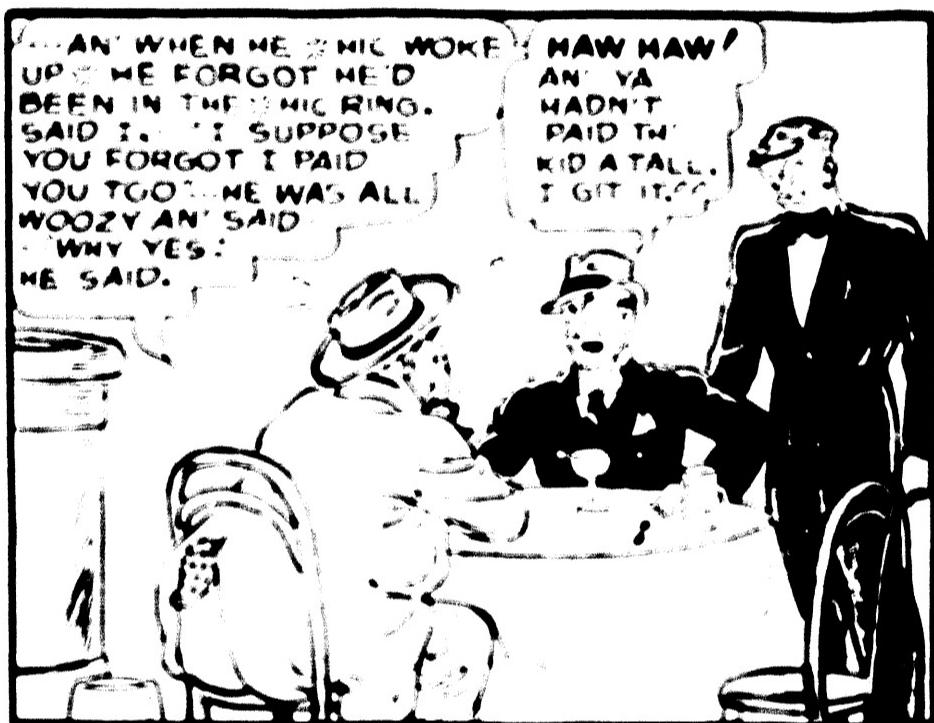

LOU BROUILLARD A LEFTHANDER RECENTLY HELD BOTH WELTER AND MIDDLEWEIGHT CROWNS.

BOOTKINS... WILL YOU POUR
SOME WATER ON ME?

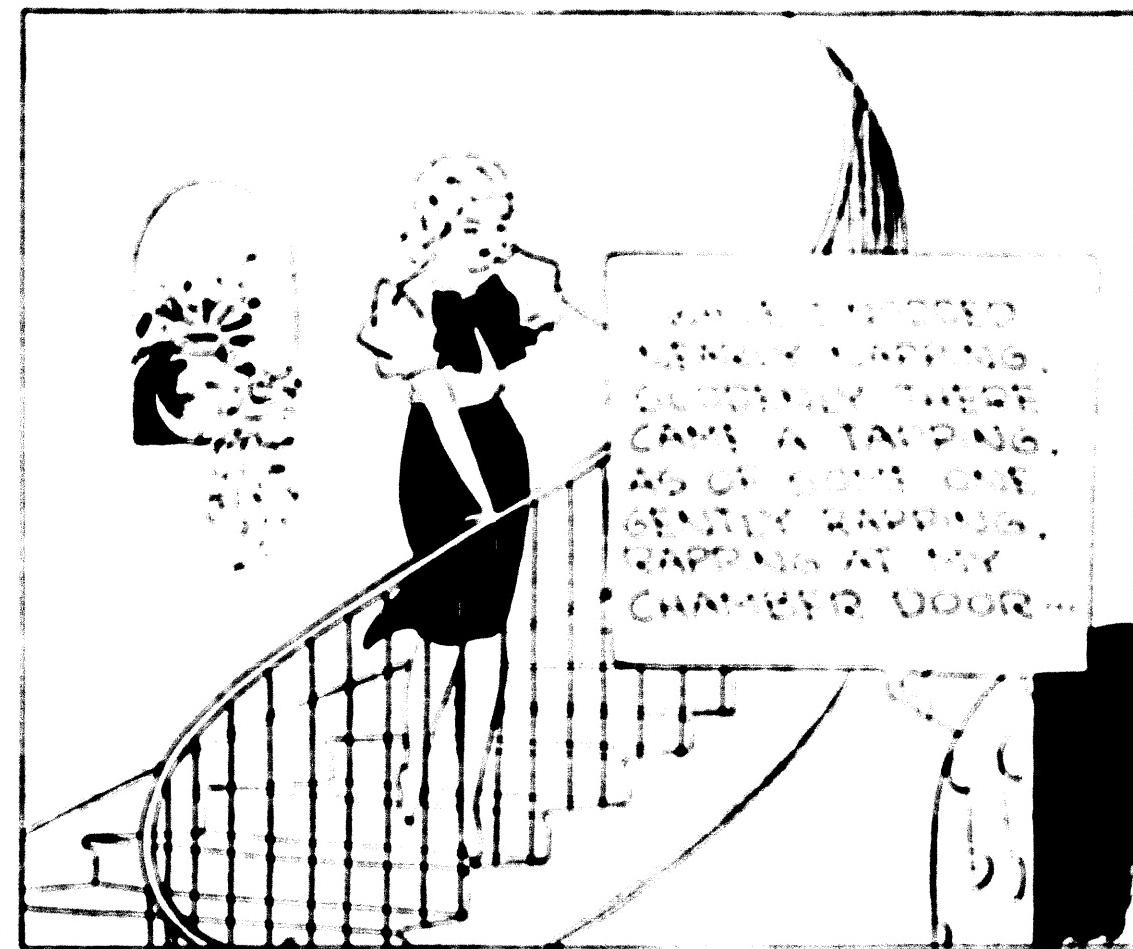

BUT....
WHY?

BECAUSE...

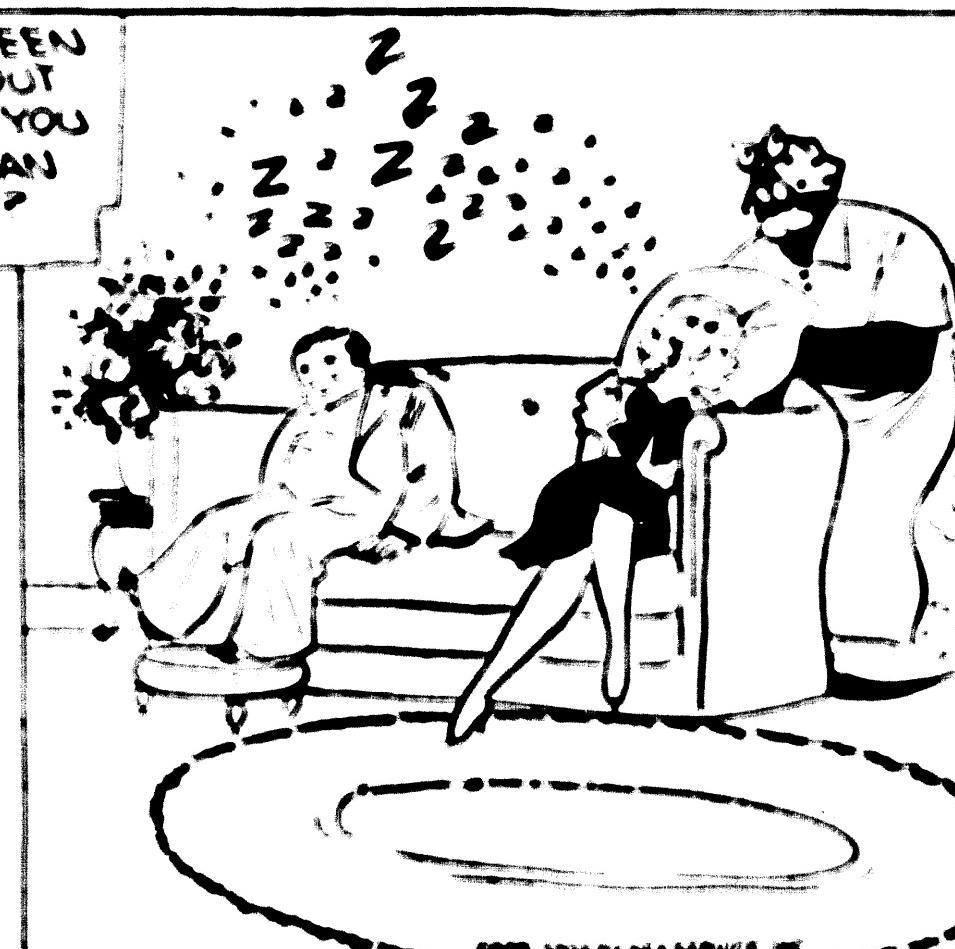

BOOTS, DEAR, YOU MUST BE
JUST DEAD FOR SLEEP!
PLEASE GO TO BED... I'LL
EXPLAIN IF ANYONE CALLS

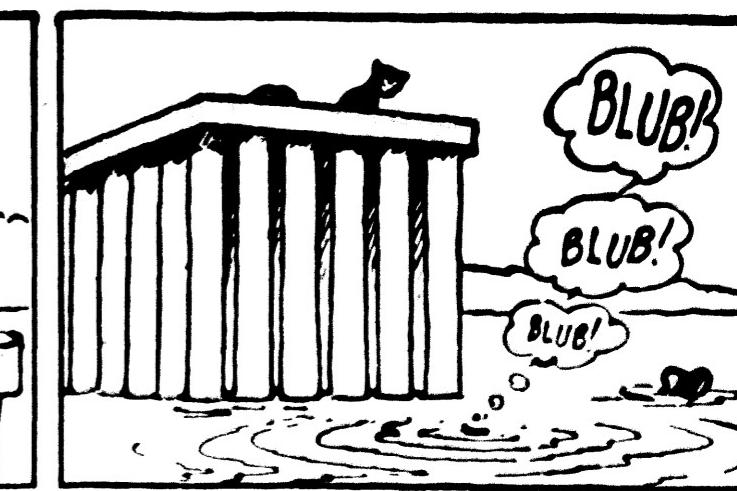

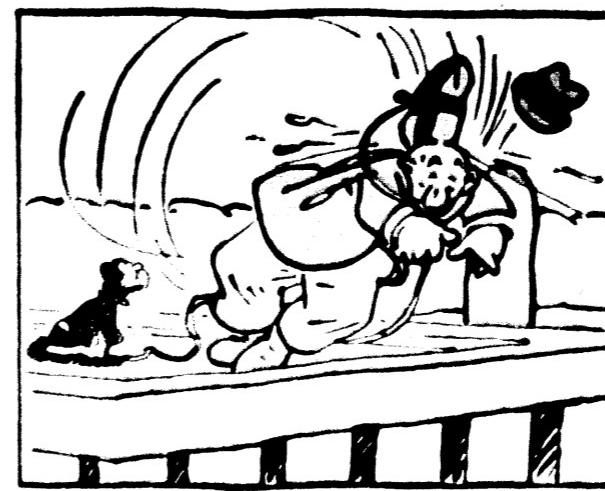

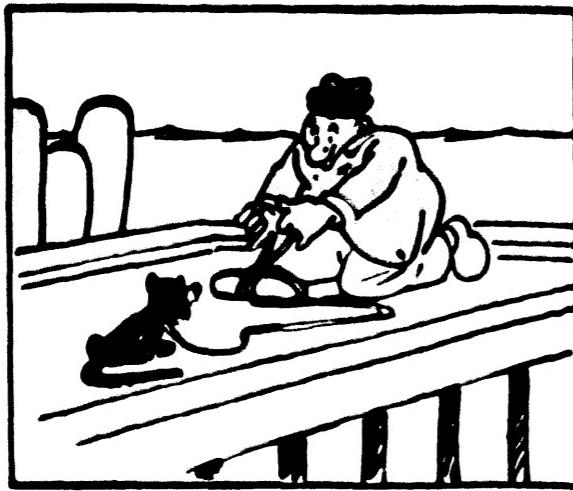

OH, FERDY IS
DOWNSTAIRS NOW

YES, MAM! AHS BEEN
READIN' TO 'IM 'BOUT
DE RAVEN, LIKE YOU
ASKED ME TO! CAN
AH STOP NOW?
